To All TPOAM Members:

Enclosed please find a flyer with information about our upcoming labor seminar. These topics were suggested by members attending last year's symposium and we have secured the leading experts in their field to educate you on these important topics.

As always, your nominal seminar fees include coffee and danish, lunch and the beverage of your choice after the workshop concludes. This seminar is also an opportunity to meet the entire executive Board of our governing body, Police Officers Association of Michigan (POAM). They are conducting their monthly meeting in conjunction with our event and will be sharing lunch with attendees.

Seminar goers will also be the first members to receive TPOAM member decals for their vehicle, identification cards for their wallets and TPOAM clothing apparel. There will be enough member products for local leaders to take home and distribute to their entire membership.

Please call Linda Cook at (313) 937-9000 with any questions. Send your registration in the enclosed envelope at your earliest convenience. Thanks for the loyal, dedicated service to your local association. I hope that you will continue the tradition of POAM and TPOAM members being the best educated labor leaders in our communities.

Respectfully,

TECHNICAL, PROFESSIONAL AND
OFFICEWORKERS ASSOCIATION
OF MICHIGAN

Director, Member Services

P.S. Because these topics are just as relevant to police officers, some POAM units have been invited to participate.
