To All Wayne County Deputies:

NOTE: THE RESULTS OF YOUR UPCOMING RATIFICATION VOTE WILL NOT IMPACT THE ELECTION OF POAM as your new bargaining agent. Vote for POAM when the ballots arrive at your home on or about October 8th. One vote does not wipe out the other!

For anyone receiving a correspondence for the first time, or for up to the minute information, go to www.poam.net and click on "Wayne County Deputies" for a complete chronological history of the process and undeniable proof that POAM is the only valid choice on the ballot.

Local 502's recent behavior and the lies being told by a few "anonymous" WCDSA supporters are reinforcing the very reason why **POAM was asked by members to intervene on your behalf**. I can promise you that POAM will never repeat the same secretive, last minute, missing details, take it or leave it, no input, hurry up and vote ratification tactics exhibited by your current leaders, no matter what the offer is. These are the same people that are secretly recommending an "independent" WCDSA, but refuse to answer any questions about how the association will be run.

POAM will be hosting its final meeting the same day ballots arrive at your home. Our staff is prepared to answer every one of your questions, and if the 502 Executive Board crashes the party again, we will demand some answers from them as well.
