

YOU CAN HELP US HONOR OUR FALLEN BROTHERS AND SISTERS.

■ DONATE

Your contributions will help us purchase full military dress uniforms for our members. One uniform costs approximately \$2,500. Our members purchase their own bagpipes. Metro Detroit Police and Fire Pipes and Drums is a 501(c) 3 non-profit organization, so all contributions are tax deductible.

■ CALL

We enjoy playing at weddings, parties and other special occasions because it keeps us in practice. Our fees are very reasonable and are based on the length of our appearance and the number of corps members who attend. *We will liven up your event!*

■ JOIN

We are currently seeking pipers and drummers of all experience levels to join the corps. You must be an employed or retired police officer or firefighter. If you don't have any piping or drumming experience but would like to learn, we'll teach you!

WE HONOR OUR FALLEN BROTHERS AND SISTERS.

The Metro Detroit Police and Fire Pipes and Drums honors police officers and firefighters killed in the line of duty by playing music at funeral services free of charge.

The corps was founded in 2002 after the death of Hazel Park Police Officer Jessica Nagle-Wilson. Today, Metro Detroit Police and Fire Pipes and Drums pay tribute to and honor fallen officers and firefighters throughout Michigan upon the request of their families, law enforcement agencies and fire departments.
