This communication is to clear up any questions regarding taking a permanent seniority job. Per our collective bargaining agreement, article 14 section 14.02 (e) employees who are offered an interdepartmental, inter-divisional or intra-divisional transfer in conformity with a bid, and refuse said opportunity shall not be offered a transfer for six (6) months. Per section 14.02 (g) an employee is entitled to a thirty (30) day trial period during which time the employee may elect to return to their former permanent job assignment.

In order of fairness and to have consistency in the job bid process, the executive board has determined that any Officer accepting a seniority bid job, who then elects to return to their former job assignment, shall not be offered a transfer for six (6) months. This is consistent with the contract language regarding turning down a seniority job bid.
