The Police Officers Association of Michigan announces that in preparation for its certification as bargaining agent for the employees of the Wayne County Sheriff's Office, it is establishing a transition team. The focus of the transition team will be to ensure the membership that the local association will continue to be serviced during the changeover from Local 502/SEIU to POAM.

In full recognition of the recent local elections, the following individuals have been interviewed to serve on a transition team.

Mike Royal, Jeffrey Linderman, Gregory Hattaway, Patrick Melton and Brian Earle.

The transition team will continue to process all union paperwork, grievances, etc. as has been done in the past under POAM direction. The team will work closely with POAM Business Agent Dave LaMontaine, Bill Birdseye and Ken Grabowski, who have been assigned the servicing of your bargaining unit.

POAM is having meetings with the transition team and is discussing their responsibilities.
