The WCDSA would like to clarify a recent memo regarding a management offer for retirees to voluntarily participate in the "Officer Pool" program. If you have retired under the terms and conditions of the retirement incentive program you must participate in the Drop Program to retire "in good standing".

After being released from the drop program you are under no obligation to participate in the "Officer Pool" program. While we understand everyone's family and financial situation is unique, we hope that you consider your fellow members before making a commitment to the "Officer Pool" program.
