Center for Autism Research, Education and Support

“Autism Safety Management for Law Enforcement/Public Safety and Fire-Rescue/EMS”

October 3, 2012

8:30-10:00 a.m. – Law Enforcement/Public Safety

10:30 a.m.-12:00p.m. – Fire-Rescue/EMS

On the campus of Oakland University

Oakland Center, Gold Room B & C

Rochester, Michigan

Presenters:

Sgt. Scott Schuelke (Ret.), Lansing Police Department

Stacie Rulison, Parent, Autism Alliance of Michigan

Sgt. Schuelke and Ms. Rulison are known for their knowledge, dedication, insight and passion and are great partners in the autism community. Everyone will learn the common characteristics of autism and effective strategies on how to interact with an individual and family in an emergency situation.

During this presentation we will discuss:

- Autism and autistic behaviors
- How to recognize a person with Autism
- Tips to safely and effectively interact with individuals with Autism:
 - De-escalation behaviors at the scene
 - Precautions with restraints
 - Custody and arrest
 - Interviewing techniques
- Community outreach strategies that will increase support and safety

This training is provided “free of charge” and is MCOLES approved

Continental breakfast provided
