Re: Police Services Budget

Dear Mr. Aldridge:

In reviewing the Adopted Fiscal Year 2013 Operating Budget, I cannot find any direct budget items for the Detroit Public Schools Public Safety Department or Detroit Public Schools Police. Therefore, they are either a part of a fund such as the General Purpose Fund or they are not included in the budget as they are funded outside of the scope of this budget.

I would like to know where I can find the funding for them in the adopted budget or an outside funding source.

Additionally, I am requesting a copy of the budget of the Public School Police. This request is made pursuant to Michigan Public Act 442 of 1976, the Freedom of information Act. Please contact me at the Police Officers Association of Michigan if I must direct this request elsewhere within the DPS system.

Thank you in advance for your cooperation.

Sincerely,

POLICE OFFICERS ASSOCIATION
OF MICHIGAN
