Office of Labor Relations

Dear Ms. de Jongh:

Due to the November 6, 2012 repeal of P.A. 4 of 2011, we hereby demand that the status quo ante of wages, hours, terms and conditions of employment in effect prior to the unilateral action of the Emergency Manager imposing wages, hours, terms and conditions of employment effective April 18, 2012, be restored.

Your failure to do so will result in the filing of an unfair labor practice charge.

Sincerely,
