The County may also make rules and regulations in accordance with its statutory authority. The POAM reserves the right to question the reasonableness of the rules and regulations through the Grievance Procedure and through the arbitration procedure hereinafter provided.

In addition to all such rights conferred by law, the County and the Sheriff reserve the right to manage their affairs efficiently and economically, including, but not by way of limitation, the right to determine the number and locations of buildings and work areas within buildings, the work to be performed within the bargaining unit, the amount of supervision necessary, the methods of operations, the schedules of work; the right to purchase work, processes or services of others; the selection, procurement, design, engineering and control of equipment and materials; the right to determine the discontinuance of any services, material or methods of operation; the right to determine the quantity and quality of service; the right to hire, to suspend or discharge for just cause, to assign, promote or transfer employees, to determine the amount of overtime, if any, to be worked, to relieve employees from duty because of lack of work or for other legitimate reasons; to direct the work force, assign work and determine the number of employees assigned to each job classification, to establish, change, combine or discontinue job classifications and prescribe and assign job duties; to adopt, revise and enforce working rules and regulations, subject to express provisions of this Agreement as herein set forth.

5.3: Designation of Representatives. Promptly following the effective date of this Agreement, the POAM and the Sheriff shall provide to each other a written list of names and titles of their respective representatives and will, from time to time as changes occur, provide prompt notice of such changes.

ARTICLE VI GRIEVANCE PROCEDURE

6.1: Definition of Grievance. A grievance shall be deemed to exist only whenever there develops a disagreement between the County or the Sheriff and one or more of the employees represented by the POAM as to the interpretation, application or alleged violation of specific provisions of this Agreement.

6.2: Settlement of Grievances. All grievances shall be settled in accordance with the Grievance Procedure set forth below:

Step 1. Any employee having a grievance shall first take up the matter with his immediate supervisor. If the grievance is not settled during the work day it is discussed at Step 1, it shall be reduced to writing and signed by the grievant within ten (10) work days after discussion with the supervisor. If a grievance relates to a matter affecting several employees in a like manner, it may be signed by one affected employee and by mutual agreement may be moved automatically to Step 2.

Step 2. The written grievance shall be discussed between the grievant and the Sheriff or his designated representative. The grievant's steward shall be present during such meeting. The Sheriff or his designated representative shall give his written decision on the grievance within the next ten (10) work days following this Step 2 discussion.

Step 3. In the event the grievance is not satisfactorily settled in Step 2, either party may request that the grievance be submitted to binding arbitration. Such arbitration shall be conducted in accordance with the provisions of Section 6.3. Notice of such request for arbitration must be indicated on the grievance report form as used by the parties as well as filed in writing with the Sheriff and the Human Resources Director within ten (10) days after the date of Step 2 answer. If such request for binding arbitration is not made within such ten (10) day period, the grievance will be considered closed on the basis of the Step 2 answer.

6.3: Arbitration Procedure. In the event the matter is appealed to arbitration as provided in Step 3 of the Grievance Procedure, such arbitration shall be conducted in accordance with the procedure set forth below.

A. The parties may mutually agree upon an arbitrator to hear the grievance provided they do so within ten (10) work days after the filing of request for binding arbitration as stated in Step 3 above.

B. If the parties are unable to mutually agree upon an arbitrator within such ten (10) work day period as stated above, then the party seeking arbitration shall within fifteen (15) work days after filing the request for binding arbitration submit a request for a list of arbitrators to the Federal Mediation and Conciliation Service. The arbitrator shall thereafter be selected in accordance with the rules of the Federal Mediation and Conciliation Service in effect as of the time of such request.

6.4: Arbitration Proceedings. After selection of the arbitrator, whether by mutual agreement or through the use of the Federal Mediation and Conciliation Service, the arbitration proceedings shall be conducted in accordance with the rules of the Federal Mediation and Conciliation Service relating to the arbitration of grievances.

6.5: Arbitration Costs. The arbitrator's fees and expenses shall be paid by the party (POAM or County) against whom the arbitrator's decision shall be rendered, provided, however, that the arbitrator, in the event there is more than one issue involved or in the event that the decision of the arbitrator is not entirely in favor of one party or against the other party, shall have the right to apportion the expenses of arbitration and they shall be borne accordingly by the POAM and the County. The POAM and County shall be responsible for their own expenses, if any, in connection with the arbitration proceedings.

6.6: Power of the Arbitrator. The decision of the arbitrator must be based on an interpretation of one or more of the provisions of this Agreement or any supplement or amendment thereto. The arbitrator shall have no power to add to, take from, modify or alter this

Agreement or any supplement or amendment thereto. Any matter submitted to arbitration over which the arbitrator has no power to rule shall be referred back to the parties without decision.

6.7: Effect of Arbitrator's Decision. The arbitrator's decision shall be final and binding on the County, the Sheriff, the POAM and any employee or employees involved, and cannot be changed by any individual.

6.8: Limitation on Grievance Procedure. The entire Grievance Procedure shall be subject to the following limitations:

A. No action on any matter shall be considered the subject of a grievance unless it is reduced to writing and signed by the grievant within ten (10) work days of the date the employee should have had reasonable knowledge of the occurrence of a grievance.

B. In the event a grievance is not appealed or processed from a decision in any of the Steps of the Grievance Procedure to the next step in the Grievance Procedure and within the time limits as prescribed in said step, it shall be considered closed on the basis of the last written decision on the grievance. Grievances not answered at Step 2 and beyond within the time limits will be deemed granted.

C. The time limits at any level of the Grievance Procedure may be extended by mutual agreement of the parties set forth in writing.

D. Any employee reinstated after discharge or disciplinary suspension shall be returned to the same job classification he held at the time of the discharge or disciplinary suspension and paid the same rate of pay, unless it is otherwise mutually agreed upon.

E. No claim for back wages shall exceed the amount of wages the employee would have otherwise earned at his regular rate, less any compensation he may have received from any source whatsoever during the period of time in question.

F. Special meetings to discuss and possibly dispose of emergency problems or grievances may be held whenever mutually agreed.

6.9: As used in the Grievance Procedure, "work day" means Monday, Tuesday, Wednesday, Thursday or Friday, but excluding any such day if it is one of the holidays listed in Article XV, Section 15.1, or if the County Offices are closed for the day due to an act of God.

6.10: Grievance Settlements. Neither the County, the Sheriff nor the POAM or any of its representatives, can settle a grievance on any basis contrary to the provisions of this Agreement, unless such settlement is reduced to writing and ratified or approved by the employees in the unit and by the Monroe County Board of Commissioners or its designated representative. Any grievance settlement reached contrary to the provisions of this Agreement shall be null and void and shall be returned to the point in the Grievance Procedure where such improper settlement was made for the purpose of processing the grievance through the Grievance Procedure in the proper manner.

ARTICLE VII
STRIKES & LOCKOUTS

7.1: No Strike. Employees shall not engage in any activity violative of Act 336, Public Acts of 1947, as amended, which provides as follows:

A. As used in this act the word "strike" shall mean the concerted failure to report for duty, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part from the full, faithful and proper performance of the duties of employment, for the purpose of inducing, influencing or coercing a change in the condition, compensation, rights, privileges or obligations of employment. Nothing contained in this act shall be construed to limit, impair or affect the right of any public employee to the expression or communication of a view, grievance, complaint or opinion of any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful and proper performance of the duties of employment.

B. No person holding a position by appointment or employment in the government of the State of Michigan, or in the government of any one or more of the political subdivisions thereof, or in the public school service, of any authority, commission, or board, or in any other branch of the public service, hereinafter called a "public employee" shall strike.

C. In the event any one or more members of the bargaining unit shall fail to observe in any way the responsibility set forth in this section, the POAM shall immediately instruct the involved employees that their conduct is in violation of this Agreement and that they are subject to disciplinary action by the Sheriff, up to and including discharge, and instruct all such persons to immediately cease the offending conduct.

D. The Sheriff shall have the right to discipline any employee who instigates, participates in, gives leadership to, or in any other way violated the responsibilities set forth in this section, which disciplinary action may include any form of discipline up to and including discharge.

7.2: No Lockout. The County and the Sheriff agree that they will not lock out any employees in the bargaining unit during the term of this Agreement.

ARTICLE VIII
HOURS OF WORK & OVERTIME

8.1: Work Period. The normal work day for employees covered by this Agreement shall be eight (8) hours per day unless specific positions listed for ten (10) hours per day. Employees shall be scheduled for an average of forty (40) hours per week over seven (7) days or eighty (80) hours per fourteen (14) day period, for a total of 2,080 hours per year. The Sheriff's Office will operate on a twenty-eight (28) day cycle for scheduling purposes.

8.2: Overtime. Employees shall receive time and one-half (1-1/2) their regular hourly rate of pay for all time worked in excess of the employee's regular daily shift, or in excess of eighty (80) hours in a two-week period.

8.3: Payment of Extra Compensation. Employees covered by this Agreement who are entitled to extra compensation under the terms of this Agreement, shall receive such payment as part of the employee's pay received on the first or second pay day following completion of the work period in which the extra compensation was earned. For the purposes of computing the payment of extra compensation to entitled employees under the terms of this Agreement, such employees will receive credit for all hours rightfully earned, including hours accredited to such employees as the result of valid sick leave, personal leave, funeral leave, holiday or vacation pay. Likewise, disciplinary action resulting in loss of time will not cause this lost time to be deducted from earned overtime unless it is specifically included in the disciplinary penalty.

8.4: Shift Premium. The day shift commences between the hours of 6:01 a.m. – 10:00 a.m. Employees assigned to the afternoon shift, commencing between the hours of 10:01 a.m. – 8:00 p.m., shall receive a shift premium in the amount of \$0.25/hour. Employees assigned to the midnight shift, commencing between the hours of 8:01 p.m. – 6:00 a.m., shall receive a shift premium in the amount of \$0.20/hour. All employees working the relief shift shall, for the purposes of payment of shift premium, be treated in the same manner as afternoon shift employees and will receive \$0.25/hour while working the relief shift.

8.5: Call-in Compensation. Employees called in prior to their regular shift or called back following their regular shift, shall be entitled to receive a minimum of three (3) hours pay regardless of the hours worked, but may be required to perform three (3) hours of duties if such work is available. Such call-ins or call-backs shall be authorized only by the Sheriff or Major.

8.6: Court Time. When an officer is required to be present in court as part of his official duties at a time other than his normally scheduled duty hours, he shall be compensated at the rate of one and one-half (1-1/2) times his basic hourly rate for the reasonable and necessary time required in court, with a minimum payment of three (3) hours. This provision is applicable to all courts in Monroe County, as well as required appearances in Monroe County in connection with quasi-criminal proceedings, such as license appeal board, liquor control commissions, etc. In the event any officer receives a subpoena fee for such court appearance, he shall promptly remit such fee to the County. The Sheriff shall advise such officer prior to leaving as to the amount of the reasonable travel and business time. An officer shall be reimbursed for reasonable expenses incurred in lodging and meals when required and authorized in advance. There shall be no payment for overnight stopovers which may be required in out-of-town trips.

8.7: Schedules. The Sheriff shall have the right to establish the work schedule and to assign personnel as required and necessary to fulfill the duties and obligations of the Sheriff's Office. The Sheriff shall publish a schedule of regular work shifts in accordance with this section. The Sheriff may establish a relief unit to be composed of not more than six (6) deputies. The members of the relief unit shall be determined in accordance with the following procedure:

The Sheriff will ask for volunteers to work on the relief unit and all qualified deputies who volunteer will be assigned to such relief unit in accordance with their classification seniority.

If there are not sufficient numbers of qualified volunteers to fill all relief unit positions, the Sheriff will fill such relief unit positions by choosing the deputies from each designated shift with the lowest classification seniority. The relief unit shall be utilized to fill in on short notice for necessary schedule changes required by absence from duty of scheduled personnel. Schedule changes which cannot be met through use of the relief or which are required by bona fide emergencies may be made by the Sheriff without notice in order to meet conditions existing at any given time. Employees assigned to the Youth Bureau, School Resource Officers, Drug Enforcement Team and the Detective Division are excluded from the scheduling requirement of this subsection.

Employees will be permitted to exchange days off, provided such exchanges are on a voluntary basis and do not interfere or conflict with normal operations of the Sheriff's Office and provided that such exchanges will be permitted only between personnel with similar positions and assignments. All such exchanges shall be subject to the prior approval of the Sheriff or his authorized representative.

On January 2nd of each year the Sheriff will post all shift selections covering members of the bargaining unit. All employees shall make application for the shift of their preference prior to the closing of such posting. The posting will close on January 11th of each year. All employees who fail to make application pursuant to such posting will be assigned a shift by the Sheriff and shall not have ability to contest such assignment. On February 1st of each year, the Sheriff shall post the shift assignments which will become effective at the beginning of the first full pay period subsequent to March 1st of each year. The Sheriff shall assign all shift selections to the particular shift, be it permanent or rotating, that the employees have requested based upon their classification seniority, to the extent that it will not unduly hinder the operation, control, effectiveness, and efficiency of the particular involved shift. In the event an employee feels that he has been improperly denied a shift request, he may file a grievance in accordance with Article VI of this Agreement. However, the Sheriff's determination of shift selections pursuant to the provisions of this section shall not be changed by an arbitrator unless such arbitrator finds that the Sheriff's determination was made in an arbitrary, capricious or discriminatory manner, or made for no reason at all. The Sheriff shall make every reasonable effort to assign employees to the shift selection of their preference.

All employees assigned to the Citizen Assistance Responders shall have rotating days off and long weekends.

A. Shift/Job Bid Process. The following is the process of shift/job bids and any shift/job bids that become available (open) during the year.

1. The Sheriff or his designee will provide to each member of the bargaining unit (Deputy Sheriffs) a bid sheet listing all of the available shifts/jobs that are to be bid for that year in accordance with the contract.

2. Each member of the bargaining unit shall submit a bid sheet listing their shift/job in order of preference with their first choice being listed number 1. Officers should fill in all selections according to their preference.

3. All employees who fail to submit a shift/job bid sheet pursuant to such posting will be assigned a shift/job by the Sheriff and SHALL NOT have the ability to contest such assignment.

4. When bidding for a contract unit or any other position that is not funded by the County of Monroe, be advised that if the position is terminated any time during that year the employee will go where an opening has been created due to lay off.

5. The shift/job bids sheet is due by January 11.

6. The shift/job bids sheet will be used to fill all shift/job openings that become available during the year as follows:

a. The shift/job assignment will be posted for a period of ten (10) calendar days at all buildings employees are assigned.

b. Employees may submit an updated shift/job bid sheet during the ten (10) calendar days. Otherwise, the employee's original shift/job bid sheet will be used to fill the posted shift/job assignment and any vacancies that are created by filling the posted shift/job assignment.

c. Employees who have submitted a shift/job bid sheet containing a bid for any open position higher on their bid sheet than their current position will be considered for the posted shift/job assignment and any vacancies created by filling the posted position. Selection will be made by the Sheriff in accordance with the contract.

7. That all other terms and conditions noted in this article with regard to shift/job bids shall remain as is except as noted in this section.

8.8: Overtime Procedure.

A. When possible, an overtime notice will be posted in advance when it will be available. This will only be posted in the Monroe Office.

B. Overtime will be posted at the beginning of each shift at 7:00 a.m., 3:00 p.m. and 11:00 p.m., Monday through Friday by the Shift Supervisor.

C. No officer's name will be placed on the overtime sheets prior to the posting time.

D. Officers who are in the shift office shall have first pick over officers who call in from home. Officers who are at their work station, either starting or ending their shift, can call in at the designated time and their name will be placed on the overtime by seniority with those present.

E. Only one slot to an officer.

F. Slots open seventy-two hours prior to the time to work the overtime can be signed up for as a second selection.

G. Overtime that comes in twenty-four hours or less prior to starting time will be filled as the shift supervisor deems necessary.

H. Officers who wish to cancel overtime after they have signed up will be responsible for finding a replacement for the overtime.

I. Officers who fail to show for their assigned overtime will lose their overtime privilege for two weeks.

J. All overtime will be posted at the Monroe Office.

K. Overtime slots can only be signed by the officer in person, Shift Supervisor or Shift Supervisory Secretary.

8.9: Employee Attendance. Employees shall be regular in their attendance and observe their scheduled working hours established by the County and the Sheriff. The County may install a time clock system or other time recording device for the purpose of documenting employee attendance. Arrangements for time off must be made with the employee's supervisor in advance and in accordance with the provisions under which time off is to be taken. If, for legitimate reason, an employee is unable to report for work at this scheduled starting time, the Sheriff's Office must be notified prior to the starting time unless physically impossible. Failure to do so shall result in disciplinary action.

8.10: Special Units. The Sheriff shall have the right to assign employees from time to time to special units in order to meet obligations based upon contractual relations with other units of government. Employees assigned to these special units shall perform such duties as may be assigned by the Sheriff and shall work such schedules as may be determined by the Sheriff from time to time in accordance with the contractual arrangements with the specific unit of government. Employees assigned to such special units shall perform only such duties as are assigned by the Sheriff in the particular unit of government specified, unless they are specifically directed by the Sheriff to perform other duties as may be required by bonafide emergencies requiring the Sheriff to utilize such special units to meet law enforcement activities of the Employer. Unless specifically assigned to duties outside of the unit of government covered by

the contract, such employees shall have no right to any work assignment performed by other deputies under this Agreement or otherwise.

8.11: Reserve Deputies. The Sheriff shall have the right to designate reserve deputies as in the past. Such reserves shall perform such duties as may be assigned to them by the Sheriff from time to time. The uniform of reserves will have a patch and badge that designates the officer as a reserve. Reserves are not covered by this Agreement and they shall have no rights under this Agreement, and shall not be subject to any of its terms and conditions. Reserves may be assigned duties from time to time by the Sheriff as in the past, and such assignments shall not in any way violate the terms and conditions of any provisions of this Agreement. The POAM agrees that neither it nor any of its members can file any grievance in connection with the activities of such reserves with the exception of the following two conditions: (1) reserves shall at all times work under the supervision and direction of bargaining unit members as defined by Article I, Section 1.1 of this Agreement, or under the direction and supervision of COAM (Command Officers) members of the Monroe County Sheriff's Office. The supervising bargaining unit member must be physically present with the reserve; (2) a bargaining unit member as defined in section 1.1 of this Agreement may, for good and just cause, refuse a duty assignment with a reserve. The Sheriff or his designated representative shall investigate any such refusal and if such investigation reveals that such refusal was not for good and just cause, the Sheriff shall have the right to discipline such bargaining unit member. A member may contest such imposed discipline pursuant to the provisions of Article IV of this Agreement.

8.12: Special Patrols. The Sheriff shall have the right to permit off duty personnel to perform services for special units, such as the Marine Patrol. The Sheriff shall make assignments to such special units from among those deputies who volunteer for such duty, however, the marine patrol detail will be offered to members of this bargaining unit first. If there are no volunteers the Sheriff shall make the work assignments. The rate of pay for marine patrol shall be at the rate of pay established by the State of Michigan.

8.13: Change of Shift Structure. In the event the Sheriff determines that the shift structure for employees covered by this Agreement shall be changed to a substantially different structure than existed as of the date of execution of this Agreement, such as a four (4) day/ten (10) hour shift, the Sheriff agrees to meet with representatives of the POAM upon request, for the purpose of discussing and reviewing any problems which may result from such change.

A. All employees assigned to the Citizen Assistance Responders shall have rotating days off and long weekends. All shift assignments within the Monroe County Sheriff's Office will be allocated in conformance with section 8.7.

8.14: In-Service Training. If any employees covered by this Agreement are required to attend in-service training programs during off-duty hours, they will be paid for the actual time spent in the training program during non-duty hours at their straight-time hourly rate up to a maximum of one hundred twenty (120) hours per calendar year. In the event an employee is required to attend more than one hundred twenty (120) hours of in-service training during off-duty hours, he will be compensated for all non-duty hours actually required in excess of one hundred twenty (120) hours per calendar year at one and one-half (1-1/2) times his hourly rate

for the excess hours. All time required by the County or the Sheriff to be spent in in-service training during off-duty hours shall count towards the payment of extra compensation in accordance with section 8.2 of this Agreement. The determination of the amount of in-service training time shall be made by the County and the Sheriff.

ARTICLE IX
COMPENSATION

9.2: Base Wages. The County and the POAM have agreed to a wage scale for all members of the bargaining unit as stated in Appendix A. Annual wages are based on 2,080 hours per calendar year.

9.3: Longevity Payments. All employees are hired after June 4, 2013 shall not be covered by this Section. Full-time employees on the County payroll as of June 4, 2013 shall be entitled to longevity pay subject to the following provisions:

B. Employees with less than five (5) years of continuous service with the County as of December 1 of any calendar year shall receive no longevity pay;

C. Employees covered by this Agreement with five (5) or more years of continuous service with the County as of December 1 of any calendar year shall receive longevity pay of \$125.00, plus an additional sum of \$25.00 for each additional year of continuous service in excess of five (5) years;

D. Employees shall not be entitled to any longevity pay if their employment or seniority with the County is terminated for any reason prior to December 1 of any calendar year;

E. If an employee does not receive compensation for at least one thousand (1,000) hours during the twelve (12) month period immediately preceding December 1 of each calendar year, no longevity pay shall be due for that calendar year.

F. Longevity payments will be paid in a separate check the first non-pay Friday in December of any calendar year.

9.4: Hazardous Duty Pay. Subject to the provisions set forth below, all employees in this unit will be eligible to receive up to a total of three (3) hazardous duty payments in the amount of \$1,500 each. These payments shall not be added to base pay and shall not be included

in Final Average Compensation for Retirement purposes. Payments shall be made between December 1st and 15th, of 2013, 2014 and 2015, respectively, to employees who are actively on the payroll at the time of payment. This Section 9.4 shall be null and void and of no force and effect following the third and final payment provided above.

9.5: Lump-sum Payments. The Employer shall make three (3) lump-sum payments (not added to base salary). Payments shall be paid in a separate check on a non-pay Friday as follows:

B. Within thirty (30) days after July 1, 2014, the Employer shall make a lump-sum payment (not added to base salary) to each employee in the amount of \$1,000.00, less required state and federal taxes.

C. Within thirty (30) days after July 1, 2015, the Employer shall make a lump-sum payment (not added to base salary) to each employee in the amount of \$1,000.00, less required state and federal taxes.

ARTICLE X LEAVE OF ABSENCE

10.1: Military Leave. Employees who enter the armed forces of the United States while employed by the County shall be given all benefits accorded them by applicable federal law.

10.2: Union Leave. The Sheriff will grant a leave of absence for a period not to exceed five (5) calendar days in any calendar year to an employee elected by the Union to attend a labor convention or educational conference. A four (4) week advance notice in writing may be required for any such leave. Not more than two (2) employees shall be entitled to a leave under this section at any one time. Such leave shall be without pay. The president of the association or his designee will receive three full paid/compensated days off to attend official union business. In addition, the president may designate one other member of the bargaining unit for up to a total of two additional days for said functions.

10.3: Funeral Leave. An employee will be granted funeral leave without loss of pay for a period up to a maximum of three (3) scheduled work days, between the date of death and the day of the funeral of a member of the employee's immediate family. This funeral leave is granted to permit the employee to attend the funeral of the designated relative. The employee may not be compensated under this Section if he does not attend the funeral or would not have been scheduled to work at the time the death occurs or at the time the funeral takes place. For the purpose of this section "immediate family" means: father, mother, stepparents, sister, brother, child, stepchildren, spouse, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparents, spouse's grandparents, grandchildren and step-grandchildren. An employee will

be granted one day of funeral leave without loss of pay for attendance at the funeral of an aunt, uncle, brother-in-law, sister-in-law, niece or nephew that is held on the employee's scheduled work day. The County may require reasonable proof of such attendance.

In the event a member of an employee's immediate family dies while the employee is on a scheduled vacation, the employee may terminate such vacation and request funeral leave, in which case he shall then be entitled to funeral leave benefits in accordance with this section. To the extent that an employee takes funeral leave during a scheduled vacation, the vacation time lost shall be rescheduled at a later date.

10.4: Family and Medical Leave. An employee is eligible for a leave of absence under the Family and Medical Leave Act of 1993 (FMLA) as amended.

10.5 Extended Medical Leave. A medical leave of absence without pay may be granted to an employee covered by this Agreement because of non-occupational illness or injury in any of the following events: (A) following exhaustion of any and all sick pay benefits to which the employee may be entitled pursuant to this Agreement; or (B) immediately upon the occurrence of such illness or injury in the event the employee has no sick pay benefits accumulated at that time.

A. Such medical leave will be granted upon receipt by the Human Resources Department of the employee's physician's certification as to the necessity of such leave and such leaves shall be subject to all of the applicable conditions of Article XIV, section 14.2 and 14.3 of this Agreement.

10.6: Personal Leave Days. Full-time seniority employees, who have completed one (1) year of service, shall be entitled to a maximum of five (5) personal leave days during the following twelve (12) month period, with pay, to be computed at the employee's then current straight-time hourly rate, exclusive of premium of any sort whatsoever, as of the day such personal leave day is taken. Employees who have completed the one (1) year of service after January 1 shall receive prorated personal days during the first year of eligibility. Except in cases of family emergency precluding notification, an employee will notify the Sheriff at least 72 hours prior to the day the employee wishes to take as a personal leave day. The Sheriff shall only be obligated to allow one employee off per shift. If two or more employees make request for the same personal leave day, the employee whose request was first received by the Sheriff shall be granted. If two or more requests are received by the Sheriff within a 24-hour period, the employee with the most classification seniority will be granted the personal leave day. If an employee is denied a personal leave day request and the employee feels that such request has been improperly denied, the employee, if the Grievance Procedure as defined in Article VI of this Agreement would not operate quickly enough to address such concern, may in addition to filing a grievance, immediately make a request in person to the Sheriff to reconsider such denial. Personal leave days shall not accumulate from one yearly period to another and, if not used during the twelve (12) month period referred to above, shall be canceled at the end of the calendar year, and thereafter employees shall have no right to take any such unused days and shall have no right for any pay for any such unused days.

ARTICLE XI
SENIORITY

11.1: Definition of Seniority. Employees covered by this Agreement shall have Sheriff's Office seniority which is defined as an employee's total service with the Sheriff's Office as a full-time regular employee, computed from the employee's last date of hire, and classification seniority, which is defined as an employee's continuous service in a job classification covered by this Agreement, computed from the last date the employee entered that job classification. Sheriff's Office seniority shall be used in determining the amount of benefits an employee is entitled to receive in regard to his vacation, sick pay, pay schedule, pension and longevity pay benefits, but for no other purpose. Classification seniority shall be used in determining the employee's layoff and recall rights in that job classification, as well as vacation selection, job bidding, and shift selection, but for no other purpose. All rights and privileges accruing to employees on the basis of seniority are as set forth herein. The parties have agreed to the respective seniority dates for all employees covered by this Agreement as of its effective date. Employees who terminate their employment with the Sheriff's Office and who are subsequently rehired shall be treated in all respects as a new hire as of the date of rehire and shall not be entitled to any credit for seniority purposes or benefits of any kind based upon prior service with the County or the Sheriff's Office.

11.2: Acquiring Seniority. All employees shall have a probationary period of one (1) year. An employee subject to this Agreement who has completed his probationary period shall have his name entered upon the seniority list for his job classification as of his last date of hire.

A. An employee subject to this Agreement who has not completed his probationary period as of the effective date of this Agreement and all new employees hired after the effective date of this Agreement shall be probationary employees without seniority until they have completed the probationary period.

B. Except as hereinafter provided, a probationary employee may be laid off or terminated, without regard to any provisions of this Agreement and without recourse to the Grievance Procedure. A probationary employee with more than six (6) months, but less than one year's service, who is given a disciplinary suspension or discharge may grieve his disciplinary suspension or discharge up to and including arbitration, provided, however, the scope of the arbitrator's authority in an arbitration of such disciplinary suspension or discharge shall be confined and restricted to the following determination: Was the basis of the Sheriff's decision to discipline, suspend, and/or discharge the employee arbitrary, capricious, or done in bad faith or for discriminatory purposes. An arbitrator shall only have the authority to rescind a disciplinary suspension and/or discharge if it is established that the Sheriff's actions were based upon arbitrary, capricious, discriminatory, or bad faith reasons or motives.

C. Temporary employees shall not acquire seniority. As used in this Agreement, a temporary employee is:

1. An employee who is hired for a specified period of time, not to exceed six (6) months in any one (1) year; or
2. An employee who is scheduled to work less than twenty (20) hours in a calendar week.
3. An agreement must be reached between both parties before temporary employees are hired.

11.3: Seniority Lists. The County shall prepare a seniority list for each job classification within the Sheriff's Office. Employees shall hold seniority only in their job classifications. The County shall also prepare a Sheriff's Office seniority list showing total service for all employees.

A. A copy of each such seniority list shall be given to the Union, not later than thirty (30) calendar days after the effective date of this Agreement and every six (6) months thereafter during the term of this Agreement. Unless the Union objects in writing to any listing in such list within ten (10) calendar days of the receipt of such lists, they shall be deemed correct and the County and the Sheriff may rely upon such lists for all purposes.

11.4: Termination of Seniority. An employee shall have his seniority rights and employment terminated if he:

- A. Quits;
- B. Retires or is retired;
- C. Is discharged for just cause;
- D. Is absent for three (3) consecutive work days without notifying the Sheriff, unless he was physically unable to give such notice or have someone give such notice on his behalf or due to other emergency circumstances;
- E. Falsifies a material fact on his application for employment or gives a false reason to obtain a leave of absence;
- F. Fails to report for work upon termination of any leave of absence;
- G. Fails to report for work from a layoff after being notified to report to work;
- H. Is laid off for a period of twelve (12) consecutive months;
- I. Is on medical leave of absence for a period of more than one (1) year, except by mutual agreement of the County and the Union.

J. Works for another employer while on any leave of absence, unless such employment is mutually agreed to in advance.

11.5: Layoff and Recall. When it is necessary to make a reduction in the number of Deputy Sheriffs, the following procedure shall be used:

A. Temporary employees in the Deputy Sheriff job classification shall be laid off first.

B. Probationary employees in the Deputy Sheriff job classification shall be laid off next, in any order.

C. If additional layoffs are required, seniority employees shall be laid off in reverse order of their classification seniority.

D. Recalls from layoff shall be made in order of classification seniority (most senior first) by written notice sent by certified mail to the employee's last address of record.

11.6: Seniority Exceptions. Exceptions to the foregoing seniority provisions may be made by mutual agreement of the County, the Sheriff and the POAM. Such exceptions include the following:

A. Preferred Seniority. Union representatives elected pursuant to the terms of this Agreement shall head the seniority list for their job classifications for the purposes of recall and layoff only during their terms as Union representative and shall not be laid off while any work is available in their job classification which they have the ability to perform. Union representatives shall be returned to their regular standing on the seniority lists upon termination of service as a Union representative.

B. Transfer Out of the Unit. Any employee who is transferred out of this bargaining unit into a classification in the COAM (Command Officers) bargaining unit or who is appointed to a non-union administrative position in the Monroe County Sheriff's Office, shall retain his or her seniority within the job classification held at the time of such promotion and/or appointment. In the event that he vacates that position, he may exercise his seniority and return to the bargaining unit. This provision shall not apply to transfers out of the bargaining unit to any other positions.

11.7: Promotions. When the Sheriff determines that an opening or vacancy exists for promotion to the position of Sergeant, employees covered by this Agreement shall be eligible for consideration.

All openings for promotion within the Sheriff's Office will be posted for a period of fifteen (15) work days. Such posting shall be in conformance with the normal posting procedures.

The Sheriff will evaluate all applicants who respond to such posting in accordance with the point allocation system as outlined in section 11.7 (A) below. The Sheriff shall promote either of the top two (2) employees with the highest point total in accordance with such evaluation from the current eligibility list. A promotional list, once established, shall be used for two (2) years or until exhausted. If exhausted prior to the two (2) year limitation, a new list will be established for another two (2) year period. Once an eligibility list is established, a copy of the entire list of employees who have passed and are eligible for promotion will be provided to the POAM with ranking. An eligible employee cannot be bypassed for promotion more than one (1) time.

All candidates for promotion to the position of Sergeant must have, at the time of application for promotion, at least five years of seniority as a sworn, certified, Deputy Sheriff with the Monroe County Sheriff's Office as defined in section 11.3(A) at the time the test is taken.

A. All promotion evaluations determined by this section will be based upon a maximum possible point accumulation of 100 points.

1. Written examination. All applicants for promotions as defined under this section must take a required written examination which will be administered and scored by an impartial, outside testing agency to be determined by the Sheriff and the County. The selection of such testing agency may be grieved under the provisions of Article VI of this Agreement. However, an arbitrator may not reverse the decision of the Sheriff and the County unless he finds that the testing agency as selected is not impartial in the administration of the examination. Each candidate's score will be multiplied by 0.6, (60%) to determine his point allocation for promotion evaluation purposes under this section. Written examinations will be given once every two (2) years or as needed in the determination of the Sheriff.

2. Seniority. All applicants for promotion will receive 1.5 points for every year of Sheriff's Office seniority they have accumulated as defined in section 11.3(A) of this Agreement, up to a maximum total of twenty (20) points.

3. Sheriff's subjective evaluation. The Sheriff shall evaluate all candidates for promotion based upon their past job performance, experience, qualifications and education. The Sheriff will assign a point score of from a minimum of zero (0), to a maximum of twenty (20) points based upon his subjective review and evaluation. Such score will be sent to the Human Resources Department prior to the Sheriff having knowledge of an applicant's written examination result. A score of ten (10) points will be considered a satisfactory evaluation. A score of below ten (10) points will only be given in instances of a review considered by the Sheriff to be below the standard of satisfactory. Any applicant receiving such a below satisfactory review may, by written request to the Sheriff or his designated representative, receive in writing the reasons for such review. Such below satisfactory review evaluations by the Sheriff are subject to the Grievance Procedure. However, if the grievance is taken to arbitration, the arbitrator shall only have the authority to change the decision of the Sheriff if it is demonstrated that the Sheriff has not reviewed the candidate's past job

performance, experience, and education in a fair and impartial manner or that the Sheriff's evaluation was arbitrary, capricious, done in bad faith, and/or for discriminatory purposes.

Each candidate's total point score will be determined by the total of points earned in sections 11.7 & (A) (1), (2) and (3) above. Each candidate shall, upon written request to the Sheriff or his designated representative, be entitled to review all scores he received under this Section. With the exception of review by a candidate of his own score, all evaluations under this Agreement are to be kept strictly confidential. No candidate will be allowed to review any other candidate's evaluation.

All employees promoted under the provisions of this Agreement shall serve a probationary period of six (6) months in their new job classification from the effective date of such promotion. This probationary period may be extended by the Sheriff for an additional period not to exceed three (3) months. The Sheriff may revoke the promotion of such employees who do not in his discretion satisfactorily complete this probationary period, however, such a decision on the part of the Sheriff is subject to an independent arbitrator's review under the provisions of Article IV as described in this Agreement. The arbitrator must find that the Sheriff had sufficient reason and just cause for such a revocation in order to uphold such a decision. All employees who do not properly complete their probationary periods, or who desire to return to their old job classification following promotion and express such desire in writing to the Sheriff within six (6) months of being promoted, shall be returned to the job classification they held before being promoted.

All candidates for promotion may submit a resume to the Sheriff.

11.8: Temporary Transfer. Employees covered by this Agreement may be temporarily transferred by the Sheriff to fill vacancies in other job classifications outside the bargaining unit in order to meet the Sheriff's obligation in connection with the operation of the Sheriff's Office. The employees to be temporarily transferred shall be determined by the Sheriff and shall not acquire any seniority in the job classification to which they are regularly assigned during the period of temporary transfer. If the period of temporary transfer is less than fifteen (15) continuous calendar days, the transferred employee shall keep the rate of pay for his regular job classification, but if the temporary transfer is for more than fifteen (15) continuous calendar days, the transferred employee shall receive the start rate for the job classification to which he is transferred. In the event a temporary promotion to sergeant is required, the following format shall be followed:

A. For short term vacancies, the temporary Sergeant position will first be offered to the applicable senior Deputy Sheriff.

B. For temporary Sergeant promotion over a seven (7) calendar day period, the temporary promotion to Sergeant will be offered to the top eligible Deputy Sheriff from the promotional list that is in effect at that time.

11.9: When a job assignment becomes available either mid-year or at the January bidding (bidding will be done as close to January 1 as possible) set forth in section 8.7, in any

unit serviced by a classification in the bargaining unit, including contract units, substations, Citizen Assistance Responders, special assignments, and detective bureau, but excluding school resource officers and drug or narcotic unit assignment, the job assignment will be posted for a period of ten (10) calendar days. During the posting, and prior to the Sheriff opening the requests to be assigned, the Sheriff will also post what qualifications are required of an employee to be eligible for the position that may open. All eligible employees may sign the posting and those who have bid for the job assignment will be considered by the Sheriff. Selection will be made by the Sheriff based on the respective qualifications, ability and classification, with seniority controlling when the other factors are relatively equal.

Any job assignment put up for bid and for which there are no bidders, or for which the Sheriff determines there are no qualified bidders, will be filled by the Sheriff with the employee who has the least seniority in that classification who is qualified. In the alternative, he may fill this assignment by hiring a qualified person for that classification from outside the bargaining unit provided it does not cause the layoff of anyone in the bargaining unit.

Assignments to school resource officer and drug or narcotic unit positions will be excluded from the bidding procedure. The Sheriff shall have the right to assign sworn Deputy Sheriffs to these positions without regard to seniority. However, such assignments may be turned down by the Deputy Sheriff selected by the Sheriff. In the event no deputy accepts any of the excluded assignments, the Sheriff shall have the right to assign the least senior of the qualified sworn Deputy Sheriffs to these assignments.

In the event an official of a contracting unit or substation assignment requests that an employee who has bid to that assignment/schedule by virtue of his seniority be transferred out of the contract unit or substation assignment/schedule, the Sheriff may transfer the employee from that assignment/schedule. Such transfer will only be made, however, after the official from the contracting agency or substation assignment has reduced his request to writing and cites specific reason(s) for the request. A copy of the written request and reason(s) must be given to the affected employee at least ten (10) days prior to the transfer. The position will then be subject to the aforementioned bidding procedure or the employee may accept the change if it involves schedule only.

Any member of the bargaining unit may challenge what he considers the improper application and/or interpretation of this procedure through the Grievance Procedure.

ARTICLE XII

NEW JOB CLASSIFICATIONS

12.1: If a new job classification is created by the County during the term of this Agreement resulting from new equipment or a significant change in the methods of operation, the County shall establish a temporary rate for that job classification and shall notify the POAM of the establishment of the new job classification and the temporary rate within a ten (10) day period, the temporary rate shall become the permanent rate of pay for the new job classification

for the balance of the term of this Agreement. If no agreement has been reached at the end of sixty (60) calendar days after the first meeting between the POAM and the County on the rate of pay for such new job classification, the matter shall be processed through the Grievance Procedure.

13.3: To earn vacation hours in a month the employee must work at least fifteen (15) days within the calendar month and must be on the County's payroll for the first and last day of such calendar month. Time lost by an employee by reason of absence without pay or time otherwise not worked or paid for shall not be considered in computing earned vacation, but an employee shall have paid holidays, paid vacation, paid personal leave, and paid sick leave credited as time worked for the purpose of this section.

13.4: Earned vacation hours can only be carried forward one (1) additional calendar year. Any vacation not taken within a two-year period will be forfeited, except otherwise approved in writing by the Employer.

13.5: Vacation schedules shall be set up by the Sheriff so as to permit the continued operation of the Sheriff's Office without interference with the efficiency of such operation. Employees will be given preference according to classification seniority to select available vacation periods.

Vacation schedules shall be posted and after selections have been approved, they shall be final except for good cause. No special vacation pay will be made, but checks will be issued as of the normal pay dates as they occur. Vacation pay shall be determined as of the employee's current salary at the time the vacation is taken.

13.6: In the event of an employee's death, voluntary quit, discharge for just cause or his termination of seniority and employment for other reasons permitted by this Agreement, any unused vacation pay immediately preceding such termination, but not taken as of the date of termination, will be paid as part of his wages.

ARTICLE XIV

NON- DUTY DISABILITY BENEFITS

14.1: The Employer agrees to provide all employees of the bargaining unit non-duty disability benefits referenced in Mutual of Omaha Disability Insurance Plan, Certificate Number GUG 887J, revised November 1, 2009, subject to additional terms, conditions, exclusion, limitations, deductibles and other provisions of the plan. The amount of non-duty disability income benefits provided for eligible employees shall be 67% of the employee's gross basic monthly earnings, with a maximum monthly benefit of \$4,000 and a minimum monthly benefit of \$100. Such gross basic monthly earnings will be calculated based upon the number of regular scheduled hours such employee would otherwise have worked, exclusive of overtime. An employee will be eligible for disability benefits under the provisions of this Article after a waiting period of one (1) day for non-duty related accidents and seven (7) calendar days for illness. An employee who continues to be disabled may draw non-duty related disability benefits for up to a maximum of 104 weeks. After such 104 week period, all benefits will cease.

14.2: Non-duty disability benefits are subject to reduction by any of the following other income benefits for which the employee may be eligible:

- A. Social security disability benefits.
- B. Workman's compensation benefits.
- C. Pension disability benefits.

D. Disability benefits under any "no fault" automobile reparation insurance law.

In order to remain eligible for non-duty disability benefits under this article, an employee is required to apply for other income benefits as soon as, and for which he may be eligible. Documentation of such application for, denial and/or receipt of such benefits must be promptly provided to the Human Resources Director.

14.3: An employee will not be eligible for non-duty disability benefits unless he is under the care of a physician who certifies, in writing, that said employee is disabled from performing his job responsibilities. Such certification must indicate what specific physical or mental limitations or restrictions disable the employee from so performing such responsibilities, and the length of time that such employee is expected to be disabled. The County has the unlimited right, in its sole discretion, to offer "favored work" to any employee so disabled, so long as such "favored work" is within the employee's physical and/or mental limitations and restrictions as certified. The County will attempt to offer such "favored work" within the Monroe County Sheriff's Office, but reserves the right to make such "favored work" offer in any department within the County. Such "favored work" offer may direct the employee to work any scheduled shift and/or job assignment notwithstanding any other provision of this Agreement. Any employee who refuses such "favored work" offer will not be eligible for disability benefits. Any employee performing such "favored work" will be compensated in accordance with the following:

A. For the first 30 calendar days on favored work - 90% of salary as defined in Exhibit "A" of this Agreement.

B. From the 31st-60th calendar day of favored work - 85% of salary as defined in Exhibit "A" of this Agreement.

C. From the 61st-90th calendar day of favored work - 80% of salary as defined in Exhibit "A" of this Agreement.

D. From the 91st-365th calendar day of favored work - 67% of salary as defined in Exhibit "A" of this Agreement.

No employee will be eligible for "favored work" beyond 365 calendar days.

14.4: The County retains the unlimited right to direct any employee, at any time, as a condition of receiving disability benefits, to an examining physician of its designation. Such examination will be at the County of Monroe's expense. Should such examining physician disagree with the opinion of the employee's treating physician as to the disability of such employee, or the extent of the restrictions or limitations of such employee, the employee will be cited to an independent third physician for examination and evaluation. This physician will be selected by the County's physician and the employee's physician and his examination will be at County expense. The opinion of such physician will be final and binding on the parties herein

and all further examinations as may be directed by the County as to said employee will be done by such physician.

14.5: Any employee who receives disability benefits pursuant to this Article will continue to accrue seniority as defined in Article XI of this Agreement, but will not be given credit for vacation benefits as defined in Article XIII of this Agreement during such period of his disability.

14.6: In the event that an employee receives benefits pursuant to the provisions of this Article, and it is determined that said employee was not ill or disabled or has in any way misused such benefits and/or falsified his condition, said employee will be subject to disciplinary action up to and including discharge. No employee shall engage in any gainful employment whatsoever while they are receiving disability benefits pursuant to the provisions of this Article unless they have obtained the prior written approval of the Human Resources Director. Any employee who has improperly received benefits pursuant to the provisions of this Article must, in addition to any discipline that may be imposed, reimburse the County for the amount of such benefits as improperly received.

14.7: No employee will be returned to employment, with the exception of "favored work" as defined in Section 14.3 herein, after the receipt of disability benefits pursuant to this Article, unless he has provided a physician's certification that he is capable of resuming his job responsibilities without limitations or restrictions. Such physician's certification must be presented, in writing, to the Human Resources Director.

14.8: Full-time seniority employees who have completed the new-hire probationary period shall be credited with six (6) sick days on January 1 of each year. (Employees who complete probation after January 1 shall receive prorated sick leave benefits during the first year of eligibility.) At the end of each year, all employees will be paid for all of the unused sick days at the rate of pay for that employee at the end of that year.

ARTICLE XV DUTY DISABILITY

15.1: General. The County agrees to provide duty disability coverage to employees who are disabled as a direct result of an injury or illness incurred in the performance of his required duties and eligible for benefits under the Michigan Workers' Disability Compensation Act.

Eligibility for duty disability benefits will be determined in accordance with the same eligibility criteria for the receipt of benefits under the Michigan Workers' Compensation Disability Act. The County and the POAM agree to be bound by the determination of the Michigan Workers' Compensation Bureau as to the fact of disability and eligibility for benefits, provided, however, that if the period of disability does not exceed seven (7) days, an eligible

employee shall nevertheless be entitled to payments hereunder upon certification of disability as provided in Section 2 below.

15.2: Required Medical Certifications. The employee must report a work related injury or illness to his immediate supervisor as soon as possible. An employee will not be eligible for duty disability benefits unless he is medically certified to be disabled from performing any duties for the County. The employee may submit a certificate from his treating physician for this purpose. Such certification must indicate the specific disability and physical restrictions precluding the employee from performing his responsibilities. The County retains the right to direct any employee to be re-examined at any time by the County's designated physician. Such re-examination will be at the expense of the County. Should the determination of the County's designated physician conflict with that of the employee's treating physician, such conflict shall be resolved by an independent third party physician selected by the treating physician and the County's designated physician. The decision of the independent third party physician shall be final and binding upon the employee, the POAM and the County.

15.3: Restricted/Light Duty Assignments. If it is medically determined that the disabled employee is unable to perform his regular duties as a result of a work related injury or illness, he will be required to perform such other Sheriff's Office duties or County work outside the Sheriff's Office as he is capable of performing within such reasonable medical restrictions as may be determined in light of the nature of the disability. Duties assigned to an employee, pursuant to this provision may be different than those duties to which the employee would normally be assigned. It is understood that the County will make reasonable effort to place the employee in a position within the Sheriff's Office before the employee will be assigned to work for Monroe County outside of the Sheriff's Office. In the event there is not an available position within the Sheriff's Office to accommodate the employee's reasonable medical restrictions, the Human Resources Department will be responsible for re-assigning the employee to an appropriate available position elsewhere within the County.

The employee's treating physician shall initially determine what, if any, restrictions may exist with respect to an employee's activities. However, the County may, at its expense, have the employee examined by the County's designated physician for the purpose of determining whether the employee is able to perform other duties within the Sheriff's Office or County and, if so, what restrictions are applicable. In the event there is a disagreement between the employee's treating physician and the County's designated physician as to whether there are duties that may be performed by the employee, or the restrictions under which he is to perform such duties, it shall be resolved by an independent third party physician selected by the treating physician and the County's designated physician. The decision of the independent third party physician shall be binding upon the employee, the POAM and the County. The County retains the unlimited right to direct any employee who is assigned to light/restricted duty, to be re-examined at any time by the County's designated physician. Such reexamination will be at the expense of the County. Should the determination of the County's designated physician, as to the extent of the restrictions or limitations of such employee conflict with that of the employee's treating physician, such conflict shall be resolved in accordance with the provisions set forth above.

If an employee is assigned to work as above provided, the employee shall be paid at the regular and normal rate of pay of his regular job classification.

15.4: Duty Disability Payments. Employees who are completely disabled, and thereby unable to perform a restricted/light duty assignment as above provided, shall be paid the difference between their bi-weekly net wages for eighty (80) hours and their net bi-weekly workers' compensation benefits. An employee's net bi-weekly income shall be based upon his rate of pay and income tax and deduction status as of the last full pay period preceding the date of disability. Duty disability checks will be paid on the employee's regular payday. While on duty disability an employee shall receive benefits or benefit accrual as follows:

A. Seniority. An employee on duty disability shall accumulate seniority for the duration of the disability or for a maximum of two (2) consecutive years, whichever is less.

B. Vacation. An employee on duty disability hereunder shall be entitled to receive the vacation accrued to the employee as of the date of injury or illness. Such payment shall be made on a normal payday of the employee's choice during the balance of the anniversary year in which the injury or illness occurs. If the employee is on duty disability hereunder for less than one year, the employee shall accrue vacation benefits during the period of absence due to duty disability as if he were on duty. In the event an officer is on duty disability for more than that one (1) year, but less than two (2) years, the officer shall receive no vacation benefits for the first year as provided above, but upon returning to duty during the second year the employee shall be credited with prorated vacation which the officer would have earned as of the date of return to duty from the last prior anniversary date of hire as if he had been on duty during such second year, provided the officer works at least ninety (90) calendar days after returning to duty. Employees on duty disability who return to duty within a two (2) year period from the date of injury, shall be entitled to have vacation credited hereunder on the basis of any step increase in vacation benefits which may occur during such period of absence.

C. Holidays. Employees receiving duty disability benefits hereunder shall receive no holiday pay.

D. Longevity Pay. An employee on duty disability shall be credited for all time on duty disability for purposes of longevity pay as if he had been on duty, not to exceed a maximum of two (2) consecutive years.

E. Medical, Hospital, and Life Insurance. The County will continue the medical, hospital, and life insurance plans for an employee on duty disability for a maximum of two (2) consecutive years of absence. If the employee retires or is retired at the end of such two (2) year period, the County will provide at its expense the retiree insurance benefits in effect for retirees at the time of such retirement.

F. Pension. An employee on duty disability will be credited for all time on duty disability for pension credit purposes and shall be subject to deduction from duty disability pay for pension contribution, if any.

15.5: Social Security Disability Benefits. In the event an employee remains completely disabled for the period of one (1) year, such employee shall promptly make application for social security disability benefits. The employee shall furnish proof to the County of such application and shall keep the County informed at all times as to the status of such claim. In the event the disabled employee is awarded social security disability benefits, the County's liability for duty disability payments under this duty disability plan shall be the difference between the sum of weekly workers' disability compensation benefits received by the disabled employee and social security disability benefits, computed upon a weekly basis at the rate of four and one-third (4-1/3) weeks per month, and the disabled employee's net weekly take-home pay as computed above. In no case will the weekly take-home pay be less than what the officer would have received based on a 2080 hour work year.

15.6: Duty Disability Retirement. If, during the course of employment, an employee becomes totally and permanently incapacitated, the employee, or the County on the employee's behalf, shall apply for a duty disability retirement from the Monroe County Employees Retirement System, in accordance with and subject to the terms, conditions, limitation and restrictions therein provided.

An employee shall remain on duty disability retirement subject to the reexamination provisions of the Retirement System in effect for disability retirees until he reaches what would have been the normal age necessary for regular, unreduced retirement. At such time, the employee's retirement benefit shall be recalculated based on final average compensation and the pension formula in effect at the time of disability retirement utilizing actual years of service plus years the employee has been on duty disability retirement.

15.7: Termination of Duty Disability Benefits. Duty disability benefits shall terminate upon the earlier of:

- the date the employee returns to full duty and is taken off of duty disability;
- the date the employee is placed on restricted duty and is paid the amount equal to the employee's regular pay;
- the date the employee retires or attains the age of 62;
- the date the employee reaches two (2) years of absence from work due to duty disability; or the date the employee is granted a duty disability retirement.

2. Spousal and Dependent Coverage: The spouse and *eligible dependents of an employee at the time of her retirement shall also be permitted to participate in any of the above described Retiree Health Care Plans in which the retiree participates; if they are not otherwise eligible for health care benefits through another employer. If an employee's spouse works for an employer who provides medical coverage, they are required to elect medical coverage with their employer, so long as the spouse's monthly contribution to the premium does not exceed 20% of the total premium cost of said coverage. The Monroe County Plan shall provide secondary coverage. To be eligible for health care benefits as the retiree and spouse must document all coverage available under the spouse's medical plan and cooperate in the coordination of coverage to limit the Employer's expense.

Upon payment of the required contribution to illustrated premium by the retiree, retiree's spouse and/or dependent child(ren), the Employer shall pay 50% of the remaining part of the illustrated premium for a participating retiree's spouse and *eligible dependents and the retiree shall pay the difference; provided, however, the Employer shall pay an additional 2.94% of such remaining part of the illustrated premiums for each year of the retiree's credited service in excess of eight (8) years of credited service, not to exceed a total of twenty-five (25) years credited service or 100% of the applicable illustrated premium not covered by retiree contribution.

The retiree's spouse shall also be allowed to continue to receive health care benefits following the death of the retiree as long as the spouse is covered by the retiree's health care plan at the time of the retiree's death and continues to receive the deceased retiree's retirement allowance. If a deceased retiree's spouse remarries, health care benefits shall not be available to the new spouse.

Dependent children of the retiree are also eligible for continued health care coverage after the retiree's death, provided the dependent children are covered by the retiree's health care plan at the time of the retiree's death and continue as dependents of the surviving spouse of the retiree who is receiving the deceased retiree's retirement allowance.

In the event a dependent child is named the deceased retiree's beneficiary and continues to receive the deceased retiree's retirement allowance and is also enrolled in the retiree's health care plan at the time of the retiree's death, the deceased retiree's dependent child shall continue to receive health care coverage in compliance with federal law.

The retiree's contribution to the cost of coverage for himself and/or spouse and eligible dependents shall be payable on a monthly basis through pre-tax automatic deduction from the retiree's pension benefit. Except as otherwise provided in Section 2 Spousal and Dependent Coverage above, such coverage shall be provided to the retiree only.

All coverage shall be subject to such terms, conditions, exclusions, limitations, deductibles, co-payments, premium cost-sharing and other provisions of the plans.

The Employer reserves the right to change a carrier(s), plan(s), and/or the manner in which it provides the benefits listed herein, provided that the benefits are equal to or better than the benefits outlined below.
