

## **FIRSTNET NOW AVAILABLE AT** **AT&T**

**FIRSTNET** - AT&T's broadband LTE network FOR First Responders BY First Responders is a high quality network that combines priority, preemption and dedicated support that helps First Responders save lives and protect communities. And now it is available for individual First Responder Subscribers!

**FIRST RESPONDER APPRECIATION OFFER** - As a thank you for your dedication, AT&T is showing its appreciation by giving First Responders and their families 25% off eligible wireless plans. Great savings on internet and entertainment products available too!
