

FIRSTNET NOW AVAILABLE AT AT&T

FIRSTNET - AT&T's broadband LTE network FOR First Responders BY First Responders is a high quality network that combines priority, preemption and dedicated support that helps First Responders save lives and protect communities. And now it is available for individual First Responder Subscribers!

FIRST RESPONDER APPRECIATION OFFER - As a thank you for your dedication, AT&T is showing its appreciation by giving First Responders and their families 25% off eligible wireless plans. Great savings on internet and entertainment products available too!
