February 12, 2019

The FBI National Academy Associates, Inc. is pleased that Congressman Bacon has taken it upon himself to sponsor the LEOSA Reform Act. This Act will allow qualified law enforcement officers (QLEOs) and qualified retired law enforcement officers (QRLEOs) to better protect our communities by acting as a force multiplier should the need arise.

Despite successful enactment of previous legislation, there is still opportunity for improved reform. We stand by Congressman Bacon on this endeavor.

Johnnie M. Adams  
President

Howard M. Cook  
Executive Director
