

## **Poll challengers needed, volunteer to work the election!**

**Many precincts around the State of Michigan are unmanned by representatives from both parties leaving them ripe for voter fraud.**

This is a *volunteer off duty* position to oversee the election process in present polls and in absentee voter counting boards. Many are still needed in Wayne, Oakland, Genesee, Ingham, and Macomb Counties.

Poll challengers receive a simple 1 hour training and help to:

- Ensure that each citizen is only able to vote once per election
- Ensure that the person who casts a ballot is the person registered to cast that ballot
- Ensure that only citizens are allowed to vote
- Ensure that every vote is counted (poll voters, absentee voters including deployed military personnel)
- Ensure that each vote cast is secured in a manner that makes it plausible to conduct a high integrity recount

Join hundreds of other concerned citizens in protecting the vote on election day.
