

The POAM would like to acknowledge State Representative Richard LeBlanc (Westland) and Senator Glenn Anderson (Westland) for taking the lead on POAM's initiative to ban ticket quotas in Michigan. The legislation was passed on December 8, 2010 and took immediate effect when the Governor signed the legislation on December 13, 2010.

POAM Legislative Director Kenneth E. Grabowski has been an advocate for this type of legislation for years and worked closely with POAM lobbyist Tim Ward to keep the pressure on Michigan's legislators. "This initiative started with elected officials in Westland, Michigan, and I especially want to thank Westland Police Officers Association President Norm Brooks for his tireless work on this important legislation." said Grabowski.
